### **Java Incorporated Bhd changes name to Java Berhad**

**Kuala Lumpur, 13 November 2009** – The Board of Java Incorporated Bhd is pleased to inform that Java Incorporated Bhd has changed its name to “**Java Berhad**” with effect from 12 November 2009.

Mr. Sy Choon Yen, the Executive Director of Java Incorporated Berhad said, “The name change is part of the Java Group’s rebranding exercise, with the aim of simplifying its presentations in both the Malaysian and Global market and to promote stronger links with the Java brand. The new name will ensure consistency between the Company, being the listed entity and its operating subsidiaries as well as to coincide with our objective of creating strength and value for the JAVA brand within the timber industry, as we pursue our vision to be an innovative timber solutions provider in the industry.”

Java Berhad is a public company listed on the Bursa Malaysia Securities Berhad and is one of the largest producers and exporters of processed timber products in Malaysia. Our Group has one of the largest integrated timber manufacturing complex in Keningau, Sabah, Malaysia and is an integration of three major timber manufacturing processes of wood based products.

Java’s production facilities are housed under three main subsidiaries, Java Industries Sdn Bhd, Java Timber Sdn Bhd and Java Woods Sdn Bhd. The major timber species that we are supplying include Red Meranti, White Meranti, Yellow Meranti, Melapi, Kapur, Keruing, Selangan Batu, Resak and etc. Our products include high grade sawn timber, high quality thin plywood, fancy plywood, wide selection of local decorative veneers, veneer rolls, solid and wrapped profile moulding ranging from basic to aesthetic.
